**NBP3-18002PE**

Tenascin C Antibody (T2H5) [PE]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | T2H5                                                                                        |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG1                                                                                        |
| <b>Conjugate</b>     | PE                                                                                          |
| <b>Purity</b>        | Protein A purified                                                                          |
| <b>Buffer</b>        | PBS                                                                                         |

**Product Description**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Host</b>                    | Mouse                                                                                       |
| <b>Gene ID</b>                 | 3371                                                                                        |
| <b>Gene Symbol</b>             | TNC                                                                                         |
| <b>Species</b>                 | Human                                                                                       |
| <b>Specificity/Sensitivity</b> | The antibody T2H5 recognizes tenascin, a large hexameric extracellular matrix glycoprotein. |
| <b>Immunogen</b>               | Protein preparation from a homogenate of a human mammary tumour specimen.                   |

**Product Application Details**

|                              |                                                                                        |
|------------------------------|----------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry, Immunoprecipitation |
| <b>Recommended Dilutions</b> | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined.                 |
