### NBP3-18054

LIFR alpha Antibody (12D3)

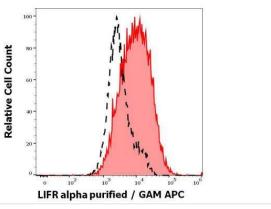

| Product Information |                             |
|---------------------|-----------------------------|
| Unit Size           | 0.1 mg                      |
| Concentration       | 1 mg/ml                     |
| Storage             | Store at 4C. Do not freeze. |
| Clonality           | Monoclonal                  |
| Clone               | 12D3                        |
| Preservative        | 0.9% Sodium Azide           |
| Isotype             | IgG1 Kappa                  |
| Purity              | Protein A purified          |
| Buffer              | PBS, pH 7.4                 |
|                     |                             |

| Product Description |   |
|---------------------|---|
| Host                | Mouse                                   |
| Gene ID             | 3977                                    |
| Gene Symbol         | LIFR                                    |
| Species             | Human                                   |
| Immunogen           | Human recombinant soluble LIFR alpha-Fc |

| Product Application Details |   |
|-----------------------------|---|
| Applications                | Western Blot, ELISA, Flow Cytometry           |
| Recommended Dilutions       | Western Blot, Flow Cytometry 2-5 ug/ml, ELISA |

## **Images**

Flow Cytometry: LIFR alpha Antibody (12D3) [NBP3-18054] - Separation of JAR cells stained using anti-human LIFR alpha (12D3) purified antibody (concentration in sample 5 ug/ml, GAM APC, red-filled) from JAR cells unstained by primary antibody (GAM APC, black-dashed) in flow cytometry analysis (surface staining) of JAR cell suspension.
