### NBP3-18103C

MICB Antibody (B-D55) [Dyl ight 650]

| MICB Antibody (B-D55) [DyLight 650] |   |
|-------------------------------------|---|
| Product Information                 |   |
| Unit Size                           | 0.1 ml  |
| Concentration                       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                             | Store at 4C in the dark.  |
| Clonality                           | Monoclonal  |
| Clone                               | B-D55   |
| Preservative                        | 0.05% Sodium Azide  |
| Isotype                             | IgG1 Kappa  |
| Conjugate                           | DyLight 650   |
| Purity                              | Affinity purified   |
| Buffer                              | 50mM Sodium Borate  |
| Product Description                 |   |
| Host                                | Mouse   |
| Gene ID                             | 4277  |
| Gene Symbol                         | MICB  |
| Species                             | Human   |
| Specificity/Sensitivity             | Recognizes both natural and recombinant human MICB  |
| Immunogen                           | Recombinant human MICB. Hybridoma: Myeloma X63/AG.8653 x Balb/c node cells                  |
| Notes                               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details         |   |
| Applications                        | ELISA   |
| Recommended Dilutions               | ELISA   |
|                                     |   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | ELISA  |
| Recommended Dilutions              | ELISA  |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
