| Purity                                             | Affinity purified                                                                           |
| Buffer                                             | 50mM Sodium Borate                                                                          |
| Product Description                                |                                                                                             |
| Host                                               | Mouse                                                                                       |
| Gene ID                                            | 27178                                                                                       |
| Gene Symbol                                        | IL37                                                                                        |
| Species                                            | Human                                                                                       |
| Specificity/Sensitivity                            | Recognizes both natural and recombinant human IL-37/IL-1F7                                  |
| Immunogen                                          | Recombinant human IL-37/IL-1F7. Hybridoma: Myeloma X63/AG.8653 x Balb/c node cells          |
| Notes                                              | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| Product Application Details                        |                                                                                             |
| Applications                                       | ELISA                                                                                       |
| Recommended Dilutions                              | ELISA                                                                                       |

|                                    | •                                                                      |
|------------------------------------|------------------------------------------------------------------------|
| <b>Product Application Details</b> |                                                                        |
| Applications                       | ELISA                                                                  |
| Recommended Dilutions              | ELISA                                                                  |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
