**NBP3-18225H****Cholecystokinin Antibody [HRP]**

| <b>Product Information</b>         |                                                                                                                             |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                      |
| <b>Concentration</b>               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.            |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                    |
| <b>Clonality</b>                   | Polyclonal                                                                                                                  |
| <b>Preservative</b>                | No Preservative                                                                                                             |
| <b>Isotype</b>                     | IgG                                                                                                                         |
| <b>Conjugate</b>                   | HRP                                                                                                                         |
| <b>Purity</b>                      | Affinity purified                                                                                                           |
| <b>Buffer</b>                      | PBS                                                                                                                         |
| <b>Product Description</b>         |                                                                                                                             |
| <b>Host</b>                        | Rabbit                                                                                                                      |
| <b>Gene ID</b>                     | 885                                                                                                                         |
| <b>Gene Symbol</b>                 | CCK                                                                                                                         |
| <b>Species</b>                     | Human, Mouse, Rat                                                                                                           |
| <b>Immunogen</b>                   | A synthesized peptide derived from human Cholecystokinin (Accession P06307), corresponding to amino acid residues I79-R105. |
| <b>Product Application Details</b> |                                                                                                                             |
| <b>Applications</b>                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                        |
| <b>Recommended Dilutions</b>       | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                        |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                      |
