**NBP3-18393**

HEATR3 Antibody - BSA Free

**Product Information**

|                      |                                 |
|----------------------|---------------------------------|
| <b>Unit Size</b>     | 100 ug                          |
| <b>Concentration</b> | 1 mg/ml                         |
| <b>Storage</b>       | Store at 4C. Do not freeze.     |
| <b>Clonality</b>     | Polyclonal                      |
| <b>Preservative</b>  | 0.09% Sodium Azide              |
| <b>Isotype</b>       | IgG                             |
| <b>Purity</b>        | Affinity purified               |
| <b>Buffer</b>        | Tris-citrate/phosphate pH 7 -8. |

**Product Description**

|                    |                                                                                                                                                                                        |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit HEATR3 Antibody - BSA Free (NBP3-18393) is a polyclonal antibody validated for use in IP. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                 |
| <b>Gene ID</b>     | 55027                                                                                                                                                                                  |
| <b>Gene Symbol</b> | HEATR3                                                                                                                                                                                 |
| <b>Species</b>     | Human                                                                                                                                                                                  |
| <b>Immunogen</b>   | Recognizes region between residues Between between 630 and 680..                                                                                                                       |

**Product Application Details**

|                              |                                        |
|------------------------------|----------------------------------------|
| <b>Applications</b>          | Immunoprecipitation                    |
| <b>Recommended Dilutions</b> | Immunoprecipitation 15-20 ug/mg lysate |

**Images**

Immunoprecipitation:[NBP3-18393]-Detection of human HEATR3 by western blot of immunoprecipitates. Samples: Whole cell lysate from HEK293T cells prepared using NETN lysis buffer. Antibodies: Affinity purified rabbit anti-HEATR3 antibody used for IP at 6 µg per reaction. HEATR3 was also immunoprecipitated by rabbit anti-HEATR3 antibody. For blotting immunoprecipitated HEATR3, was used at 0. 4 mg/ml. Detection: Chemiluminescence with an exposure time of 1 second.
