**NBP3-18699****Mouse Serpin F2/alpha 2-Antiplasmin ELISA Kit (Colorimetric)**

| Product Information |                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size           | 1 Kit                                                                                                    |
| Concentration       | Concentration is not relevant for this product. Please see the protocols for proper use of this product. |
| Storage             | Storage of components varies. See protocol for specific instructions.                                    |

| Product Description  |                                                |
|----------------------|------------------------------------------------|
| Gene ID              | 5345                                           |
| Gene Symbol          | SERPINF2                                       |
| Species              | Mouse                                          |
| Standard Curve Range | 0.313 - 20 ng/mL (example only; lot dependent) |
| Sensitivity          | 0.28 ng/mL (example only; lot dependent)       |
| Inter Assay          | CV%< 10.8 (example only; lot dependent)        |
| Intra Assay          | CV%< 6.2 (example only; lot dependent)         |
| Assay Type           | Sandwich ELISA                                 |
| Spiking Recovery     | 98% (example only; lot dependent)              |
| Suitable Sample Type | Serum, Plasma, Cell Culture, Urine             |

| Product Application Details |                       |
|-----------------------------|-----------------------|
| Applications                | ELISA, Sandwich ELISA |
| Recommended Dilutions       | ELISA, Sandwich ELISA |
