

# Product Datasheet

## USP7 Antibody (S02-6B8)

### NBP3-19800-100ul

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Concentration           | 0.3 mg/ml                                                                              |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality               | Monoclonal                                                                             |
| Clone                   | S02-6B8                                                                                |
| Preservative            | 0.01% Sodium Azide                                                                     |
| Isotype                 | IgG                                                                                    |
| Purity                  | Affinity purified                                                                      |
| Buffer                  | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                         |
| Target Molecular Weight | 128 kDa                                                                                |

| Product Description |                                                                                                                                                                                                         |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit USP7 Antibody (S02-6B8) (NBP3-19800) is a recombinant monoclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                                  |
| Gene ID             | 7874                                                                                                                                                                                                    |
| Gene Symbol         | USP7                                                                                                                                                                                                    |
| Species             | Human, Mouse, Rat                                                                                                                                                                                       |
| Immunogen           | A synthetic peptide of human USP7 (Uniprot # Q93009)                                                                                                                                                    |

| Product Application Details |                                                                               |
|-----------------------------|-------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry             |
| Recommended Dilutions       | Western Blot 1/1000, Immunohistochemistry 1/20, Immunohistochemistry-Paraffin |

## Images

Western Blot: USP7 Antibody (S02-6B8) [NBP3-19800] - Western blot detection of USP7 in C6 cell lysates using NBP3-19800 (1:1000 diluted). Predicted band size: 128kDa. Observed band size: 128kDa.

Immunohistochemistry-Paraffin: USP7 Antibody (S02-6B8) [NBP3-19800] - Immunohistochemistry of USP7 in paraffin-embedded Human lung cancer tissue using NBP3-19800 at dilution 1/20
