**NBP3-20091F****Aminopeptidase P1/XPNPEP1 Antibody (SAIC-07E-1) [FITC]**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | SAIC-07E-1                                                                                  |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG Kappa                                                                                   |
| <b>Conjugate</b>           | FITC                                                                                        |
| <b>Purity</b>              | Protein A purified                                                                          |
| <b>Buffer</b>              | PBS                                                                                         |

| <b>Product Description</b> |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| <b>Host</b>                | Rabbit                                                                              |
| <b>Gene ID</b>             | 7511                                                                                |
| <b>Gene Symbol</b>         | XPNPEP1                                                                             |
| <b>Species</b>             | Human                                                                               |
| <b>Immunogen</b>           | Peptide "TSLDEVYLIDSGAQYK" derived from Xaa-Pro aminopeptidase 1 conjugated to KLH. |

| <b>Product Application Details</b> |                                                                                                |
|------------------------------------|------------------------------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, ELISA, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Mass Spectrometry |
| <b>Recommended Dilutions</b>       | Western Blot, Flow Cytometry, ELISA, Immunocytochemistry/Immunofluorescence, Mass Spectrometry |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                         |
