La Crosse Virus Glycoprotein 1 Antibody (807.31) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 807.31                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                       |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                 |
| Gene ID             | 956555                                                                                                                                                |
| Gene Symbol         | M                                                                                                                                                     |
| Species             | Virus                                                                                                                                                 |
| Reactivity Notes    | La Crosse Bunyavirus                                                                                                                                  |
| Immunogen           | This antibody was raised by immunising BALB/c mice with La Crosse viruses and the harvested spleens were fused with mouse P3X63Ag8.653 myeloma cells. |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                 |

| Product Application Details |                                                                          |
|-----------------------------|--------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Flow Cytometry, Immunoprecipitation, Neutralization |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunoprecipitation, Neutralization |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.   |
