MEIS2 Antibody (PCRP-MEIS2-2B3) [DyLight 650]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | PCRP-MEIS2-2B3                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG2a Kappa                                                                                 |
| Conjugate                   | DyLight 650                                                                                 |
| Purity                      | Protein A or G purified                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 4212                                                                                        |
| Gene Symbol                 | MEIS2                                                                                       |
| Species                     | Human                                                                                       |
| Immunogen                   | Recombinant fragment of human MEIS2                                                         |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry-Paraffin, Immunoprecipitation            |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunoprecipitation, Immunohistochemistry-Paraffin            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
