Intra Acrosomal Protein Antibody (SR1162) - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality           | Monoclonal                                                                                  |
| Clone               | SR1162                                                                                      |
| Preservative        | 0.02% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Affinity purified                                                                           |
| Buffer              | PBS, pH 7.4, 150mM NaCl, 50% glycerol.                                                      |

| Product Description     |                                                                                                                                                                                                                              |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description             | Novus Biologicals Rabbit Intra Acrosomal Protein Antibody (SR1162) - BSA Free (NBP3-22038) is a recombinant monoclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                    | Rabbit                                                                                                                                                                                                                       |
| Gene ID                 | 56                                                                                                                                                                                                                           |
| Gene Symbol             | ACRV1                                                                                                                                                                                                                        |
| Species                 | Human                                                                                                                                                                                                                        |
| Specificity/Sensitivity | Detects endogenous levels of total Intra Acrosomal Protein                                                                                                                                                                   |
| Immunogen               | A synthesized peptide derived from human Intra Acrosomal Protein (Uniprot #: P26436)                                                                                                                                         |

| Product Application Details |                           |
|-----------------------------|---------------------------|
| Applications                | Western Blot              |
| Recommended Dilutions       | Western Blot 1:500-1:2000 |
