GALT Antibody (SR1733) - BSA Free

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | SR1733                                                                                      |
| Preservative            | 0.02% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | 10mM PBS (pH 7.4), 150mM sodium chloride, 0.05% BSA, 50% glycerol                           |
| Target Molecular Weight | 43 kDa                                                                                      |

| Product Description     |                                                                                                                                                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description             | Novus Biologicals Rabbit GALT Antibody (SR1733) - BSA Free (NBP3-22582) is a recombinant monoclonal antibody validated for use in WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                    | Rabbit                                                                                                                                                                                                               |
| Gene ID                 | 2592                                                                                                                                                                                                                 |
| Gene Symbol             | GALT                                                                                                                                                                                                                 |
| Species                 | Human, Mouse, Rat                                                                                                                                                                                                    |
| Specificity/Sensitivity | Detects endogenous levels of total GALT                                                                                                                                                                              |
| Immunogen               | A synthesized peptide derived from human GALT (Uniprot #: P07902)                                                                                                                                                    |

| Product Application Details |                                                                               |
|-----------------------------|-------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                         |
| Recommended Dilutions       | Western Blot 1:500-1:2000, Immunocytochemistry/ Immunofluorescence 1:50-1:200 |
