| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | SR1361                                                                                      |
| Preservative            | 0.02% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | PBS, pH 7.4, 150mM NaCl, 50% glycerol.                                                      |
| Target Molecular Weight | 23 kDa                                                                                      |

| Product Description     |                                                                                                                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description             | Novus Biologicals Rabbit UBE2T Antibody (SR1361) - BSA Free (NBP3-22630) is a recombinant monoclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                    | Rabbit                                                                                                                                                                                                     |
| Gene ID                 | 29089                                                                                                                                                                                                      |
| Gene Symbol             | UBE2T                                                                                                                                                                                                      |
| Species                 | Human                                                                                                                                                                                                      |
| Specificity/Sensitivity | Detects endogenous levels of total UBE2T                                                                                                                                                                   |
| Immunogen               | A synthesized peptide derived from human UBE2T (Uniprot #: Q9NPD8)                                                                                                                                         |

| Product Application Details |                           |
|-----------------------------|---------------------------|
| Applications                | Western Blot              |
| Recommended Dilutions       | Western Blot 1:500-1:2000 |
