FOXI1 Antibody (PCRP-FOXI1-1C4) [DyLight 488]

| Product Information         |                                                                                                                          |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                              |
| Storage                     | Store at 4C in the dark.                                                                                                 |
| Clonality                   | Monoclonal                                                                                                               |
| Clone                       | PCRP-FOXI1-1C4                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG2a                                                                                                                    |
| Conjugate                   | DyLight 488                                                                                                              |
| Purity                      | Protein A or G purified                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                       |
| Product Description         |                                                                                                                          |
| Host                        | Mouse                                                                                                                    |
| Gene ID                     | 2299                                                                                                                     |
| Gene Symbol                 | FOXI1                                                                                                                    |
| Species                     | Human                                                                                                                    |
| Immunogen                   | Recombinant fragment (around aa104-258) of human FOXI1 protein (exact sequence is proprietary)                           |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                        |
| Product Application Details |                                                                                                                          |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Immunoprecipitation |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
