|---|---|
| Product Information                     |   |
| Unit Size                               | 0.1 ml  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | rM130/8820  |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG1 Kappa  |
| Conjugate                               | DyLight 488   |
| Purity                                  | Protein A or G purified   |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Host                                    | Mouse   |
| Gene ID                                 | 9332  |
| Gene Symbol                             | CD163   |
| Species                                 | Human   |
| Immunogen                               | Recombinant fragment (around aa 1-200) of human CD163 protein (exact sequence is proprietary) |
| Notes                                   |   |
|   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.             |
| Product Application Details             |   |
| Applications                            | Immunohistochemistry-Paraffin   |
| <b>Recommended Dilutions</b>            | Immunohistochemistry-Paraffin   |
| Application Notes                       | Optimal dilution of this antibody should be experimentally determined.                        |
