**NBP3-24266H****Adenylate Cyclase 8 Antibody (ADCY8/7574) [HRP]**

| <b>Product Information</b>         |                                                                                                            |
|------------------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                     |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                   |
| <b>Clonality</b>                   | Monoclonal                                                                                                 |
| <b>Clone</b>                       | ADCY8/7574                                                                                                 |
| <b>Preservative</b>                | No Preservative                                                                                            |
| <b>Isotype</b>                     | IgG2 Kappa                                                                                                 |
| <b>Conjugate</b>                   | HRP                                                                                                        |
| <b>Purity</b>                      | Protein A or G purified                                                                                    |
| <b>Buffer</b>                      | PBS                                                                                                        |
| <b>Product Description</b>         |                                                                                                            |
| <b>Host</b>                        | Mouse                                                                                                      |
| <b>Gene ID</b>                     | 114                                                                                                        |
| <b>Gene Symbol</b>                 | ADCY8                                                                                                      |
| <b>Species</b>                     | Human                                                                                                      |
| <b>Immunogen</b>                   | Recombinant fragment (around aa1-200) of human Adenylate Cyclase 8 protein (exact sequence is proprietary) |
| <b>Product Application Details</b> |                                                                                                            |
| <b>Applications</b>                | Immunohistochemistry-Paraffin                                                                              |
| <b>Recommended Dilutions</b>       | Immunohistochemistry-Paraffin                                                                              |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                     |
