**NBP3-25248**

ZNF226 Antibody - BSA Free

**Product Information**

|                      |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 100 ul                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Affinity purified                                                                                                |
| <b>Buffer</b>        | PBS, pH 7.2, 40% glycerol                                                                                        |

**Product Description**

|                    |                                                                                                                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit ZNF226 Antibody - BSA Free (NBP3-25248) is a polyclonal antibody validated for use in IHC. All Novus Biologicals antibodies are covered by our 100% guarantee.                           |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                            |
| <b>Gene ID</b>     | 7769                                                                                                                                                                                                              |
| <b>Gene Symbol</b> | ZNF226                                                                                                                                                                                                            |
| <b>Species</b>     | Human                                                                                                                                                                                                             |
| <b>Immunogen</b>   | This antibody has been engineered to specifically recognize the recombinant protein ZNF226 using the following amino acid sequence:<br>QRLNRDQQISIKNKLQCQCKKGVDPIGWISHHDGHRVHKSEKSYRPNDYEKDNM<br>KILTFDHNSMIHTGHK |

**Product Application Details**

|                              |                                                                                                                                                                                 |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                             |
| <b>Recommended Dilutions</b> | Immunohistochemistry 1:50 - 1:200, Immunohistochemistry-Paraffin 1:50 - 1:200                                                                                                   |
| <b>Application Notes</b>     | For IHC-Paraffin, we recommend using Heat-Induced Epitope Retrieval (HIER) with a pH level of 6. This optimized retrieval method ensures the best results for your experiments. |

**Images**

Staining of human prostate shows moderate cytoplasmic positivity in glandular cells.
