ZNF302 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit ZNF302 Antibody - BSA Free (NBP3-25249) is a polyclonal antibody validated for use in ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee.          |
| Host                | Rabbit                                                                                                                                                                                              |
| Gene ID             | 55900                                                                                                                                                                                               |
| Gene Symbol         | ZNF302                                                                                                                                                                                              |
| Species             | Human                                                                                                                                                                                               |
| Immunogen           | This antibody has been engineered to specifically recognize the recombinant protein ZNF302 using the following amino acid sequence:<br>KAYPFPLSHSVPASVNFVGFSALEFEHCSEVTEIFELSELVFWVLHFLSNPST<br>VEA |

| Product Application Details |                                                                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunocytochemistry/ Immunofluorescence                                                                                            |
| Recommended Dilutions       | Immunocytochemistry/ Immunofluorescence 0.25-2 µg/ml                                                                               |
| Application Notes           | For ICC/IF, we recommend using a combination of PFA and Triton X-100. This will give you the optimal results for your experiments. |

**Images**

Staining of human cell line HEL shows localization to nucleoplasm & cytosol.
