|                    |                                                                                                                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit Collagen XVII Antibody (15G9) - BSA Free (NBP3-26647) is a recombinant monoclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                                     |
| <b>Gene ID</b>     | 1308                                                                                                                                                                                                                       |
| <b>Gene Symbol</b> | COL17A1                                                                                                                                                                                                                    |
| <b>Species</b>     | Human                                                                                                                                                                                                                      |
| <b>Immunogen</b>   | A synthesized peptide derived from Human Collagen XVII [UniProt Q9UMD9]                                                                                                                                                    |

**Product Application Details**

|                              |                                  |
|------------------------------|----------------------------------|
| <b>Applications</b>          | Western Blot, ELISA              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, ELISA |

**Images**

Western Blot: Collagen XVII Antibody (15G9) [NBP3-26647] - Positive  
 Western Blot detected in: HEPG2 whole cell lysate.  
 All lanes: Collagen XVII Antibody at 1: 1000  
 Secondary: Goat polyclonal to rabbit IgG at 1/50000 dilution.  
 Predicted band size: 150 kDa  
 Observed band size: 150 kDa
