| Host                    | Rabbit                                                                                                                                                                                                            |
| Gene ID                 | 6732                                                                                                                                                                                                              |
| Gene Symbol             | SRPK1                                                                                                                                                                                                             |
| Species                 | Human, Mouse, Rat                                                                                                                                                                                                 |
| Specificity/Sensitivity | SRPK1 antibody is human, mouse and rat reactive. Multiple isoforms of SRPK1 are known to exist; this antibody will detect all except isoforms b and e. SRPK1 antibody is predicted to not cross-react with SRPK2. |
| Immunogen               | SRPK1 antibody was raised against a 19 amino acid peptide from near the amino terminus of human SRPK1. The immunogen is located within the first 50 amino acids of SRPK1.                                         |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin                     |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry-Paraffin                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
