# NBP3-28288MFV610

IGE-LR/IGE1R Antibody (teprotumumab) [mFluor Violet 610 SF]

| IGF-I R/IGF1R Antibody (teprotun | numab) [mFluor Violet 610 SE]   |
|----------------------------------|---|
| Product Information              |   |
| Unit Size                        | 0.1 ml  |
| Concentration                    | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                          | Store at 4C in the dark.  |
| Clonality                        | Monoclonal  |
| Clone                            | teprotumumab  |
| Preservative                     | 0.05% Sodium Azide  |
| Isotype                          | lgG1  |
| Conjugate                        | mFluor Violet 610 SE  |
| Purity                           | Protein A purified  |
| Buffer                           | 50mM Sodium Borate  |
| <b>Product Description</b>       |   |
| Host                             | Human   |
| Gene ID                          | 3480  |
| Gene Symbol                      | IGF1R   |
| Species                          | Human   |
| Reactivity Notes                 | Predicted species reactivity: Mouse   |
| Immunogen                        | IGF1R / CD221   |
| Notes                            | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details      |   |
| Applications                     | ELISA, Flow Cytometry, Functional   |
| Recommended Dilutions            | Flow Cytometry, ELISA, Functional   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | ELISA, Flow Cytometry, Functional                                      |
| Recommended Dilutions              | Flow Cytometry, ELISA, Functional                                      |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
