|---------------------------------------|---|
| Product Information                   |   |
| Unit Size                             | 0.1 ml  |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                               | Store at 4C in the dark.  |
| Clonality                             | Monoclonal  |
| Preservative                          | 0.05% Sodium Azide  |
| Isotype                               | IgG1  |
| Conjugate                             | DyLight 550   |
| Purity                                | Protein A purified  |
| Buffer                                | 50mM Sodium Borate  |
| Product Description                   |   |
| Host                                  | Human   |
| Gene ID                               | 930   |
| Gene Symbol                           | CD19  |
| Species                               | Human   |
| Immunogen                             | CD19  |
| Notes                                 | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details           |   |
| Applications                          | ELISA, Flow Cytometry, Functional   |
| <b>Recommended Dilutions</b>          | Flow Cytometry, ELISA, Functional   |
| Application Notes                     | Optimal dilution of this antibody should be experimentally determined.                      |
|                                       |   |
