## NBP3-28655JF635

SOST/Sclerostin Antibody (setrusumab) [Janelia Fluor® 635]

|                                    | ,   |
|------------------------------------|---|
| Product Information                |   |
| Unit Size                          | 0.1 ml  |
| Concentration                      | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                            | Store at 4C in the dark.  |
| Clonality                          | Monoclonal  |
| Clone                              | setrusumab  |
| Preservative                       | 0.05% Sodium Azide  |
| Isotype                            | IgG2  |
| Conjugate                          | Janelia Fluor 635   |
| Purity                             | Protein A purified  |
| Buffer                             | 50mM Sodium Borate  |
| <b>Product Description</b>         |   |
| Host                               | Human   |
| Gene ID                            | 50964   |
| Gene Symbol                        | SOST  |
| Species                            | Human   |
| Immunogen                          | SOST / Sclerostin   |
| Notes                              | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| <b>Product Application Details</b> |   |
| Applications                       | ELISA, Flow Cytometry, Functional   |
| Recommended Dilutions              | Flow Cytometry, ELISA, Functional   |
|                                    |   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | ELISA, Flow Cytometry, Functional                                      |
| Recommended Dilutions              | Flow Cytometry, ELISA, Functional                                      |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
