TRAILR1/TNFRSF10A Antibody (Mapatumumab) [Janelia Fluor® 669]

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | Mapatumumab                                                                                 |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG2                                                                                        |
| <b>Conjugate</b>           | Janelia Fluor 669                                                                           |
| <b>Purity</b>              | Protein A purified                                                                          |
| <b>Buffer</b>              | 50mM Sodium Borate                                                                          |

| <b>Product Description</b> |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| <b>Host</b>                | Human                                                                                 |
| <b>Gene ID</b>             | 8797                                                                                  |
| <b>Gene Symbol</b>         | TNFRSF10A                                                                             |
| <b>Species</b>             | Human                                                                                 |
| <b>Immunogen</b>           | TNFRSF10A / TRAILR1 / CD261                                                           |
| <b>Notes</b>               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus. |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | ELISA, Flow Cytometry, Functional                                      |
| <b>Recommended Dilutions</b>       | Flow Cytometry, ELISA, Functional                                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
