# NBP3-28816H

beta Amyloid Antibody [HRP] - (Research Grade bapineuzumab Biosimilar)

| Deta Affiyiola Affilibody [FIRP] - (F | beta Amylold Antibody [HKF] - (Kesearch Grade bapinedzumab biosimilar)                      |  |
|---------------------------------------|---|--|
| Product Information                   |   |  |
| Unit Size                             | 0.1 ml  |  |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services. |  |
| Storage                               | Store at 4C in the dark.  |  |
| Clonality                             | Monoclonal  |  |
| Preservative                          | No Preservative   |  |
| Isotype                               | lgG1  |  |
| Conjugate                             | HRP   |  |
| Purity                                | Protein A purified  |  |
| Buffer                                | PBS   |  |
| Product Description                   |   |  |
| Host                                  | Human   |  |
| Gene ID                               | 351   |  |
| Gene Symbol                           | APP   |  |
| Species                               | Human   |  |
| Immunogen                             | Amyloid Beta  |  |
| Product Application Details           |   |  |
| Applications                          | ELISA, Flow Cytometry, Functional   |  |
| Recommended Dilutions                 | Flow Cytometry, ELISA, Functional   |  |
| A 11 41 N1 4                          |   |  |

| Froduct Application Details |  |
|-----------------------------|--|
| Applications                | ELISA, Flow Cytometry, Functional                                      |
| Recommended Dilutions       | Flow Cytometry, ELISA, Functional                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
|                             |  |
|                             |  |
|                             |  |
