| Life To buyer of the acade the bu the princlud manural paymer resale on pur above CA 92 demail | Fluor (R) products are provided under an intellectual property license from echnologies Corporation. The purchase of this product conveys to the the non-transferable right to use the purchased product and components product only in research conducted by the buyer (whether the buyer is an mic or for-profit entity). The sale of this product is expressly conditioned on yer not using the product or its components, or any materials made using oduct or its components, in any activity to generate revenue, which may e, but is not limited to use of the product or its components: (i) in acturing; (ii) to provide a service, information, or data in return for ent; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for regardless of whether they are resold for use in research. For information chasing a license to this product for purposes other than as described , contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, 008 USA or outlicensing@lifetech.com. This conjugate is made on ind. Actual recovery may vary from the stated volume of this product. The e will be greater than or equal to the unit size stated on the datasheet.  |

## **Product Application Details**

Applications Western Blot, ELISA

| Recommended Dilutions | Western Blot, ELISA  |
|-----------------------|--|
| Application Notes     | Optimal dilution of this antibody should be experimentally determined. |
