**Application Notes** 

MEST Antibody (5E0) [DyLight 594]

| MEST Antibody (SEO) [DyLight S94] |   |
|-----------------------------------|---|
| Product Information               |   |
| Unit Size                         | 0.1 ml  |
| Concentration                     | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                           | Store at 4C in the dark.  |
| Clonality                         | Monoclonal  |
| Clone                             | 5E0   |
| Preservative                      | 0.05% Sodium Azide  |
| Isotype                           | IgG2a   |
| Conjugate                         | DyLight 594   |
| Purity                            | Protein A or G purified   |
| Buffer                            | 50mM Sodium Borate  |
| Product Description               |   |
| Host                              | Mouse   |
| Gene ID                           | 4232  |
| Gene Symbol                       | MEST  |
| Species                           | Human, Mouse  |
| Immunogen                         | mesoderm specific transcript homolog(Mouse) - (Uniprot# Q5EB52)                             |
| Notes                             | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details       |   |
| Applications                      | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry          |
| Recommended Dilutions             | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/<br>Immunofluorescence       |

Optimal dilution of this antibody should be experimentally determined.
