OXA1L Antibody (4F2) [Alexa Fluor® 350]

Unit Size 0.1 ml Concentration Please see the vial label for concentration. If unlisted please contact techn services. Storage Store at 4C in the dark. Clonality Monoclonal Clone 4F2 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 350 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens Life Technologies Corporation. The purchase of this product conveys to th buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which in include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylaction proposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as describe above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsi CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product volume will be greater than or equal to the unit size stated on the datashee.	OXA1L Antibody (4F2) [Alexa Fluor® 350]		
Concentration Please see the vial label for concentration. If unlisted please contact techn services. Storage Store at 4C in the dark. Clonality Monoclonal Clone 4F2 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 350 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property license. Life Technologies Corporation. The purchase of this product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made the product or its components, or any materials made in include, but is not limited to use of the product or openate revenue, which include, but is not limited to use of the product or openate revenue, which include, but is not limited to use of the product or openate revenue, which of payment; (iii) for therapeutic, diagnostic or prophylacit purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as describe above, contact Life Technologies Corporation. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Storage Store at 4C in the dark. Clonality Monoclonal Clone 4F2 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 350 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens Life Technologies Corporation. The purchase of this product conveys to th buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components; (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For infort on purchasing a license to this product for purposes other than as describe above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsi CA 92008 USA or outlicensing @lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Clone 4F2 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 350 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property license. Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product or its na describe above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.	nnical		
Clone 4F2 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 350 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property license Life Technologies Corporation. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Conjugate Alexa Fluor 350 Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsi CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Purity Protein A or G purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which no include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsi CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens: Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which no include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Product Description Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens. Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which minclude, but is not limited to use of the product or its components: (i) in manufacturing; (ii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as describe above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Host Mouse Gene ID 5018 Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which n include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as describe above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Gene Symbol OXA1L Species Human Immunogen Oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which me include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as describe above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Gene Symbol OXA1L Species Human Immunogen oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Notes Alexa Fluor (R) products are provided under an intellectual property licens. Life Technologies Corporation. The purchase of this product conveys to th buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which n include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Immunogen Alexa Fluor (R) products are provided under an intellectual property licens. Life Technologies Corporation. The purchase of this product conveys to th buyer the non-transferable right to use the purchased product and compor of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which minclude, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.			
Immunogen Oxidase(cytochrome c) assembly 1-like - (Uniprot# Q15070) Alexa Fluor (R) products are provided under an intellectual property licens. Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and comport of the product only in research conducted by the buyer (whether the buyer academic or for-profit entity). The sale of this product is expressly condition the buyer not using the product or its components, or any materials made the product or its components, in any activity to generate revenue, which minclude, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product for purposes other than as described above, contact Life Technologies Corporation, 5791 Van Allen Way, Carlst CA 92008 USA or outlicensing@lifetech.com. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product.
