## NBP3-43787

VIAAT/SLC32A1/VGAT Antibody (CL2793) - Azide and BSA Free

| Product Information         |  |
|-----------------------------|--|
| Unit Size                   | 100 ug   |
| Concentration               | LYOPH mg/ml  |
| Storage                     | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.   |
| Clonality                   | Monoclonal   |
| Clone                       | CL2793   |
| Preservative                | No Preservative  |
| Reconstitution Instructions | Centrifuge the vial of lyophilized antibody at 12,000 x g for 20 seconds. Reconstitute by adding sterile, distilled water to achieve a final antibody concentration of 1mg/ml. |
| Isotype                     | IgG1   |
| Purity                      | Protein A purified   |
| Buffer                      | Lyophilized from a 0.2 um filtered solution in PBS with Trehalose  |
| Product Description         |  |
| Host                        | Mouse  |
| Gene ID                     | 140679   |
| Gene Symbol                 | SLC32A1  |
| Species                     | Human, Mouse, Rat  |
| Immunogen                   | This antibody was generated using a recombinant protein sequence of Q9H598, with the exact immunogen sequence remaining proprietary.   |
| Product Application Details |  |
| Applications                | Immunohistochemistry-Paraffin  |
| Recommended Dilutions       | Immunohistochemistry-Paraffin 1:50 - 1:200   |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.  |

## **Images**

Staining of human midbrain shows positivity in GABAergic fibers in substantia nigra, pars reticulata.

Staining of rat midbrain shows strong positivity in GABAergic fibers in substantia nigra, pars reticulata. Staining of mouse brain shows moderate positivity in GABAergic processes in the cerebellum. Staining of mouse basal forebrain shows positivity in GABAergic fibers in the globus pallidus. Staining of rat basal forebrain shows strong positivity in GABAergic fibers in the globus pallidus.
