Notes Alexa Fluor (R) products are provided Life Technologies Corporation. The puper the non-transferable right to us of the product only in research conduct academic or for-profit entity). The sale the buyer not using the product or its the product or its components, in any include, but is not limited to use of the manufacturing; (ii) to provide a service payment; (iii) for therapeutic, diagnost resale, regardless of whether they are on purchasing a license to this product above, contact Life Technologies Corporation. Actual recovery may vary from the product or its the product or its components, in any include, but is not limited to use of the manufacturing; (iii) for therapeutic, diagnost resale, regardless of whether they are on purchasing a license to this product above, contact Life Technologies Corporation.	
Alexa Fluor (R) products are provided Life Technologies Corporation. The public buyer the non-transferable right to us of the product only in research conduct academic or for-profit entity). The sale the buyer not using the product or its the product or its components, in any include, but is not limited to use of the manufacturing; (ii) to provide a service payment; (iii) for therapeutic, diagnoss resale, regardless of whether they are on purchasing a license to this product above, contact Life Technologies Cor CA 92008 USA or outlicensing@lifeteddemand. Actual recovery may vary from the product of	ng a synthetic peptide of P17677, with the exact proprietary.
	vided under an intellectual property license from the purchase of this product conveys to the o use the purchased product and components onducted by the buyer (whether the buyer is an e sale of this product is expressly conditioned on or its components, or any materials made using any activity to generate revenue, which may of the product or its components: (i) in ervice, information, or data in return for gnostic or prophylactic purposes; or (iv) for ey are resold for use in research. For information roduct for purposes other than as described a Corporation, 5791 Van Allen Way, Carlsbad, lifetech.com. This conjugate is made on any from the stated volume of this product. The ual to the unit size stated on the datasheet.

Product Application Details	
Applications	Immunohistochemistry-Paraffin
Recommended Dilutions	Immunohistochemistry-Paraffin
Application Notes	Optimal dilution of this antibody should be experimentally determined.
