UBE3B Antibody (OTI3F10) [Janelia Fluor® 646]

| Product Information         |                                                                                                                         |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                             |
| Storage                     | Store at 4C in the dark.                                                                                                |
| Clonality                   | Monoclonal                                                                                                              |
| Clone                       | OTI3F10                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                      |
| Isotype                     | IgG2a                                                                                                                   |
| Conjugate                   | Janelia Fluor 646                                                                                                       |
| Purity                      | >95%                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                      |
| Product Description         |                                                                                                                         |
| Host                        | Mouse                                                                                                                   |
| Gene ID                     | 89910                                                                                                                   |
| Gene Symbol                 | UBE3B                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                       |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 768-1068 of human UBE3B (NP_569733) produced in E.coli. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                   |
| Product Application Details |                                                                                                                         |
| Applications                | Immunohistochemistry                                                                                                    |
| Recommended Dilutions       | Immunohistochemistry                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                  |
