| Purity                      | >95%                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                   |
| Product Description         |                                                                                                                      |
| Host                        | Mouse                                                                                                                |
| Gene ID                     | 9060                                                                                                                 |
| Gene Symbol                 | PAPSS2                                                                                                               |
| Species                     | Human, Mouse, Rat                                                                                                    |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 1-247 of human PAPSS2(NP_004661) produced in E.coli. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                    |
| Product Application Details |                                                                                                                      |
| Applications                | Western Blot, Immunohistochemistry                                                                                   |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                               |
