MEIS1 Antibody (OTI1B4) [Biotin]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Monoclonal                                                                                                            |
| Clone                       | OTI1B4                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG1                                                                                                                  |
| Conjugate                   | Biotin                                                                                                                |
| Purity                      | >95%                                                                                                                  |
| Buffer                      | PBS                                                                                                                   |
| Product Description         |                                                                                                                       |
| Host                        | Mouse                                                                                                                 |
| Gene ID                     | 4211                                                                                                                  |
| Gene Symbol                 | MEIS1                                                                                                                 |
| Species                     | Human                                                                                                                 |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 176-390 of human MEIS1(NP_002389) produced in E.coli. |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry                                                                                    |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
