| Purity                      | Immunogen affinity purified                                                                                                                                                                                 |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                                 |
| Target Molecular Weight     | 56 kDa                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                             |
| Description                 | Novus Biologicals Rabbit WSB1 Antibody - BSA Free (NBP3-45546) is a polyclonal antibody validated for use in IHC, WB, ELISA and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                                      |
| Gene ID                     | 26118                                                                                                                                                                                                       |
| Gene Symbol                 | WSB1                                                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                                                       |
| Immunogen                   | WD repeat and SOCS box-containing 1. (Uniprot# Q9Y6I7)                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                                                          |
| Recommended Dilutions       | Western Blot 1:500-1:5000, ELISA, Immunohistochemistry 1:20-1:200, Immunocytochemistry/ Immunofluorescence 1:10-1:100                                                                                       |

## Images

Immunohistochemistry: WSB1 Antibody - BSA Free [NBP3-45546] - Immunohistochemistry of paraffin-embedded human prostate cancer using (WSB1 antibody) at dilution of 1:50

Western Blot: WSB1 Antibody - BSA Free [NBP3-45546] - SGC-7901 cells were subjected to SDS PAGE followed by western blot with (WSB1 antibody) at dilution of 1:1000
