## USP32 Antibody - BSA Free

### NBP3-45624

Unit Size: 100 ug

Store at -20C. Avoid freeze-thaw cycles.

| Purity                      | Immunogen affinity purified                                                                                                                                                                          |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                          |
| Target Molecular Weight     | 182 kDa                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                      |
| Description                 | Novus Biologicals Rabbit USP32 Antibody - BSA Free (NBP3-45624) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                               |
| Gene ID                     | 84669                                                                                                                                                                                                |
| Gene Symbol                 | USP32                                                                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                                                                         |
| Immunogen                   | ubiquitin specific peptidase 32. (Uniprot# Q8NFA0)                                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA, Immunohistochemistry                                                                                                                                                            |
| Recommended Dilutions       | Western Blot 1:500-1:5000, ELISA, Immunohistochemistry 1:20-1:200                                                                                                                                    |

## Images

Immunohistochemistry: USP32 Antibody - BSA Free [NBP3-45624] - Immunohistochemistry of paraffin-embedded human pancreas using (USP32 antibody) at dilution of 1:100

Western Blot: USP32 Antibody - BSA Free [NBP3-45624] - HeLa cells were subjected to SDS PAGE followed by western blot with (USP32 antibody) at dilution of 1:400
