**NBP3-45932****Methyltransferase like 6 Antibody - BSA Free**

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 100 ug                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>           | Polyclonal                                                                                  |
| <b>Preservative</b>        | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG                                                                                         |
| <b>Purity</b>              | Immunogen affinity purified                                                                 |
| <b>Buffer</b>              | PBS, 50% Glycerol, pH (7.3)                                                                 |

| <b>Product Description</b> |                                                                                                                                                                                                                         |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit Methyltransferase like 6 Antibody - BSA Free (NBP3-45932) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>                | Rabbit                                                                                                                                                                                                                  |
| <b>Gene ID</b>             | 131965                                                                                                                                                                                                                  |
| <b>Gene Symbol</b>         | METTL6                                                                                                                                                                                                                  |
| <b>Species</b>             | Human, Mouse, Rat                                                                                                                                                                                                       |
| <b>Immunogen</b>           | methyltransferase like 6. (Uniprot# Q8TCB7)                                                                                                                                                                             |

| <b>Product Application Details</b> |                                                                   |
|------------------------------------|-------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, ELISA, Immunohistochemistry                         |
| <b>Recommended Dilutions</b>       | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200 |
| <b>Application Notes</b>           | Theoretical Molecular Weight is 30-32 kDa                         |

## Images

Western Blot: Methyltransferase like 6 Antibody - BSA Free [NBP3-45932] - HeLa cells were subjected to SDS PAGE followed by western blot with (Methyltransferase like 6 antibody) at dilution of 1:300

Immunohistochemistry: Methyltransferase like 6 Antibody - BSA Free [NBP3-45932] - Immunohistochemistry of paraffin-embedded human testis using (Methyltransferase like 6 antibody) at dilution of 1:50
