Gemin 7 Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.02% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | PBS, 50% Glycerol, pH (7.3)                                                                 |

| Product Description |                                                                                                                                                                                            |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit Gemin 7 Antibody - BSA Free (NBP3-46241) is a polyclonal antibody validated for use in ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                     |
| Gene ID             | 79760                                                                                                                                                                                      |
| Gene Symbol         | GEMIN7                                                                                                                                                                                     |
| Species             | Human, Mouse, Rat                                                                                                                                                                          |
| Immunogen           | gem(nuclear organelle) associated protein 7. (Uniprot# Q9H840)                                                                                                                             |

| Product Application Details |                |
|-----------------------------|----------------|
| Applications                | ELISA, Serum   |
| Recommended Dilutions       | ELISA, Serum 0 |
