## INSL3 Antibody - BSA Free

### NBP3-46473

Unit Size: 100 ug

Store at -20C. Avoid freeze-thaw cycles.

| Purity                      | Immunogen affinity purified                                                                                                                                                                          |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                          |
| Target Molecular Weight     | 15 kDa                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                      |
| Description                 | Novus Biologicals Rabbit INSL3 Antibody - BSA Free (NBP3-46473) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                               |
| Gene ID                     | 3640                                                                                                                                                                                                 |
| Gene Symbol                 | INSL3                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                                |
| Immunogen                   | insulin-like 3 (Leydig cell). (Uniprot# P51460)                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA, Immunohistochemistry                                                                                                                                                            |
| Recommended Dilutions       | Western Blot 1:500 - 1:2000, ELISA, Immunohistochemistry 1:50 - 1:100                                                                                                                                |

## Images

Immunohistochemistry: INSL3 Antibody - BSA Free [NBP3-46473] - Immunohistochemistry of paraffin-embedded human prostate using (INSL3 antibody) at dilution of 1:50

Western Blot: INSL3 Antibody - BSA Free [NBP3-46473] - A549 cells were subjected to SDS PAGE followed by western blot with (INSL3 antibody) at dilution of 1:1000
