|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit RNPC3 Antibody - BSA Free (NBP3-46699) is a polyclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                          |
| <b>Gene ID</b>     | 55599                                                                                                                                                                                           |
| <b>Gene Symbol</b> | RNPC3                                                                                                                                                                                           |
| <b>Species</b>     | Human, Mouse                                                                                                                                                                                    |
| <b>Immunogen</b>   | RNA-binding region(RNP1, RRM) containing 3. (Uniprot# Q96LT9)                                                                                                                                   |

**Product Application Details**

|                              |                                           |
|------------------------------|-------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA                       |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, ELISA          |
| <b>Application Notes</b>     | Theoretical Molecular Weight is 62-65 kDa |

**Images**

Western Blot: RNPC3 Antibody - BSA Free [NBP3-46699] - 3T3-L1 cells were subjected to SDS PAGE followed by western blot with (RNPC3 antibody) at dilution of 1:600
