RCN2 Antibody [DyLight 488]

| Product Information          |                                                                                             |
|------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>             | 0.1 ml                                                                                      |
| <b>Concentration</b>         | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>               | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>             | Polyclonal                                                                                  |
| <b>Preservative</b>          | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>               | IgG                                                                                         |
| <b>Conjugate</b>             | DyLight 488                                                                                 |
| <b>Purity</b>                | Immunogen affinity purified                                                                 |
| <b>Buffer</b>                | 50mM Sodium Borate                                                                          |
| Product Description          |                                                                                             |
| <b>Host</b>                  | Rabbit                                                                                      |
| <b>Gene ID</b>               | 5955                                                                                        |
| <b>Gene Symbol</b>           | RCN2                                                                                        |
| <b>Species</b>               | Human, Mouse, Rat                                                                           |
| <b>Immunogen</b>             | reticulocalbin 2, EF-hand calcium binding domain. (Uniprot# Q14257)                         |
| <b>Notes</b>                 | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details  |                                                                                             |
| <b>Applications</b>          | Western Blot, ELISA, Immunohistochemistry                                                   |
| <b>Recommended Dilutions</b> | Western Blot, ELISA, Immunohistochemistry                                                   |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined.                      |
