| Purity                      | Immunogen affinity purified                                                                                                                                                                         |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                     |
| Description                 | Novus Biologicals Rabbit PTER Antibody - BSA Free (NBP3-46856) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 9317                                                                                                                                                                                                |
| Gene Symbol                 | PTER                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                   |
| Immunogen                   | phosphotriesterase related. (Uniprot# Q96BW5)                                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunohistochemistry                                                                                                                                                           |
| Recommended Dilutions       | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200                                                                                                                                   |
| Application Notes           | Theoretical Molecular Weight is 33 kDa, 39 kDa                                                                                                                                                      |

## Images

Western Blot: PTER Antibody - BSA Free [NBP3-46856] - HEK-293 cells were subjected to SDS PAGE followed by western blot with (PTER antibody) at dilution of 1:400

Immunohistochemistry: PTER Antibody - BSA Free [NBP3-46856] - Immunohistochemistry of paraffin-embedded human ovary tumor using (PTER antibody) at dilution of 1:50
