**NBP3-47207**

PCDHA5 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ug                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Immunogen affinity purified                                                                 |
| <b>Buffer</b>                  | PBS, 50% Glycerol, pH (7.3)                                                                 |
| <b>Target Molecular Weight</b> | 102 kDa                                                                                     |

**Product Description**

|                    |                                                                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit PCDHA5 Antibody - BSA Free (NBP3-47207) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                |
| <b>Gene ID</b>     | 56143                                                                                                                                                                                                 |
| <b>Gene Symbol</b> | PCDHA5                                                                                                                                                                                                |
| <b>Species</b>     | Human, Mouse, Rat                                                                                                                                                                                     |
| <b>Immunogen</b>   | protocadherin alpha 5. (Uniprot# Q9Y5H7)                                                                                                                                                              |

**Product Application Details**

|                              |                                                                   |
|------------------------------|-------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Immunohistochemistry                         |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200 |

## Images

Western Blot: PCDHA5 Antibody - BSA Free [NBP3-47207] - Mouse brain tissue were subjected to SDS PAGE followed by western blot with (PCDHA5 antibody) at dilution of 1:1000

Immunohistochemistry: PCDHA5 Antibody - BSA Free [NBP3-47207] - Immunohistochemistry of paraffin-embedded human brain using (PCDHA5 antibody) at dilution of 1:100
