**NBP3-47678**

CCDC99 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ug                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Immunogen affinity purified                                                                 |
| <b>Buffer</b>                  | PBS, 50% Glycerol, pH (7.3)                                                                 |
| <b>Target Molecular Weight</b> | 70 kDa                                                                                      |

**Product Description**

|                    |                                                                                                                                                                                                           |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit CCDC99 Antibody - BSA Free (NBP3-47678) is a polyclonal antibody validated for use in IHC, WB, ELISA and IP. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                    |
| <b>Gene ID</b>     | 54908                                                                                                                                                                                                     |
| <b>Gene Symbol</b> | SPDL1                                                                                                                                                                                                     |
| <b>Species</b>     | Human                                                                                                                                                                                                     |
| <b>Immunogen</b>   | coiled-coil domain containing 99. (Uniprot# Q96EA4)                                                                                                                                                       |

**Product Application Details**

|                              |                                                                                                     |
|------------------------------|-----------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Immunohistochemistry, Immunoprecipitation                                      |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:50-1:200, Immunoprecipitation 1:500-1:1000 |

## Images

Western Blot: CCDC99 Antibody - BSA Free [NBP3-47678] - HEK-293 cells were subjected to SDS PAGE followed by western blot with (CCDC99 Antibody) at dilution of 1:1000

Immunohistochemistry: CCDC99 Antibody - BSA Free [NBP3-47678] - Immunohistochemistry of paraffin-embedded human breast cancer slide using (CCDC99 Antibody) at dilution of 1:50

Immunoprecipitation: CCDC99 Antibody - BSA Free [NBP3-47678] - IP Result of anti-CCDC99 (IP: 3ug; Detection: 1:1000) with HEK-293 cells lysate 920ug.
