**NBP3-47781**

LRRC71 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ug                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Immunogen affinity purified                                                                 |
| <b>Buffer</b>                  | PBS, 50% Glycerol, pH (7.3)                                                                 |
| <b>Target Molecular Weight</b> | 62 kDa                                                                                      |

**Product Description**

|                    |                                                                                                                                                                                                          |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit LRRC71 Antibody - BSA Free (NBP3-47781) is a polyclonal antibody validated for use in WB, ELISA and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                   |
| <b>Gene ID</b>     | 149499                                                                                                                                                                                                   |
| <b>Gene Symbol</b> | LRRC71                                                                                                                                                                                                   |
| <b>Species</b>     | Human                                                                                                                                                                                                    |
| <b>Immunogen</b>   | chromosome 1 open reading frame 92. (Uniprot# Q8N4P6)                                                                                                                                                    |

**Product Application Details**

|                              |                                                                                      |
|------------------------------|--------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                         |
| <b>Recommended Dilutions</b> | Western Blot 1:200-1:1000, ELISA, Immunocytochemistry/ Immunofluorescence 1:20-1:200 |

**Images**

Western Blot: LRRC71 Antibody - BSA Free [NBP3-47781] - HeLa cells were subjected to SDS PAGE followed by western blot with ( LRRC71 Antibody) at dilution of 1:300
