## ANAPC2 Antibody - BSA Free

### NBP3-48130

Unit Size: 100 ug

Store at -20C. Avoid freeze-thaw cycles.

| Purity                      | Immunogen affinity purified                                                                                                                                                                           |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                           |
| Target Molecular Weight     | 97 kDa                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                       |
| Description                 | Novus Biologicals Rabbit ANAPC2 Antibody - BSA Free (NBP3-48130) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                                |
| Gene ID                     | 29882                                                                                                                                                                                                 |
| Gene Symbol                 | ANAPC2                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                     |
| Immunogen                   | anaphase promoting complex subunit 2. (Uniprot# Q9UJX6)                                                                                                                                               |
| Product Application Details |                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunohistochemistry                                                                                                                                                             |
| Recommended Dilutions       | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200                                                                                                                                     |

## Images

Immunohistochemistry: ANAPC2 Antibody - BSA Free [NBP3-48130] - Immunohistochemistry of paraffin-embedded human gliomas using (ANAPC2 antibody) at dilution of 1:100

Western Blot: ANAPC2 Antibody - BSA Free [NBP3-48130] - MCF7 cells were subjected to SDS PAGE followed by western blot with (ANAPC2 antibody) at dilution of 1:500
