## ALKBH7 Antibody - BSA Free

### NBP3-48179

Unit Size: 100 ug

Store at -20C. Avoid freeze-thaw cycles.

| Purity                      | Immunogen affinity purified                                                                                                                                                                           |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                           |
| Target Molecular Weight     | 25 kDa                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                       |
| Description                 | Novus Biologicals Rabbit ALKBH7 Antibody - BSA Free (NBP3-48179) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                                |
| Gene ID                     | 84266                                                                                                                                                                                                 |
| Gene Symbol                 | ALKBH7                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                     |
| Immunogen                   | alkB, alkylation repair homolog 7(E. coli). (Uniprot# Q9BT30)                                                                                                                                         |
| Product Application Details |                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunohistochemistry                                                                                                                                                             |
| Recommended Dilutions       | Western Blot 1:200-1:2000, ELISA, Immunohistochemistry 1:20-1:200                                                                                                                                     |

## Images

Western Blot: ALKBH7 Antibody - BSA Free [NBP3-48179] - Human testis tissue were subjected to SDS PAGE followed by western blot with (ALKBH7 antibody) at dilution of 1:500

Immunohistochemistry: ALKBH7 Antibody - BSA Free [NBP3-48179] - Immunohistochemistry of paraffin-embedded human testis tissue slide using (ALKBH7 Antibody) at dilution of 1:50
