**NBP3-48230**

ACSF2 Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.02% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | PBS, 50% Glycerol, pH (7.3)                                                                 |

| Product Description |                                                                                                                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit ACSF2 Antibody - BSA Free (NBP3-48230) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                               |
| Gene ID             | 80221                                                                                                                                                                                                |
| Gene Symbol         | ACSF2                                                                                                                                                                                                |
| Species             | Human, Mouse, Rat                                                                                                                                                                                    |
| Immunogen           | acyl-CoA synthetase family member 2. (Uniprot# Q96CM8)                                                                                                                                               |

| Product Application Details |                                                                   |
|-----------------------------|-------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry                         |
| Recommended Dilutions       | Western Blot 1:200-1:2000, ELISA, Immunohistochemistry 1:20-1:200 |
| Application Notes           | Theoretical Molecular Weight is 55-70 kDa                         |

## Images

Western Blot: ACSF2 Antibody - BSA Free [NBP3-48230] - Mouse lung tissue were subjected to SDS PAGE followed by western blot with (ACSF2 Antibody) at dilution of 1:600

Immunohistochemistry: ACSF2 Antibody - BSA Free [NBP3-48230] - Immunohistochemistry of paraffin-embedded human right adrenal gland using (ACSF2 Antibody) at dilution of 1:50
