| <b>Unit Size</b>           | 100 ul                                                                                                           |
| <b>Concentration</b>       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>           | Monoclonal                                                                                                       |
| <b>Clone</b>               | HL2577                                                                                                           |
| <b>Preservative</b>        | No Preservative                                                                                                  |
| <b>Isotype</b>             | IgG                                                                                                              |
| <b>Purity</b>              | Protein A purified                                                                                               |
| <b>Buffer</b>              | PBS                                                                                                              |

| <b>Product Description</b> |                                                                                                                                                                                                                |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit SARS-CoV-2 nsp14 Antibody (HL2577) (NBP3-48700) is a recombinant monoclonal antibody validated for use in ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>                | Rabbit                                                                                                                                                                                                         |
| <b>Gene ID</b>             | 43740578                                                                                                                                                                                                       |
| <b>Gene Symbol</b>         | ORF1ab                                                                                                                                                                                                         |
| <b>Species</b>             | SARS-CoV-2                                                                                                                                                                                                     |
| <b>Immunogen</b>           | Recombinant fragment of SARS-CoV-2 NSP14 (COVID-19) nsp14. (Wuhan-Hu-1)                                                                                                                                        |

| <b>Product Application Details</b> |                                                      |
|------------------------------------|------------------------------------------------------|
| <b>Applications</b>                | Immunocytochemistry/ Immunofluorescence              |
| <b>Recommended Dilutions</b>       | Immunocytochemistry/ Immunofluorescence 1:100-1:1000 |
