**NBP3-48828****Synaptotagmin 13 Antibody (HL3579)**

| <b>Product Information</b> |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 100 ul                                                                                                           |
| <b>Concentration</b>       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>           | Monoclonal                                                                                                       |
| <b>Clone</b>               | HL3579                                                                                                           |
| <b>Preservative</b>        | No Preservative                                                                                                  |
| <b>Isotype</b>             | IgG                                                                                                              |
| <b>Purity</b>              | Protein A purified                                                                                               |
| <b>Buffer</b>              | PBS                                                                                                              |

| <b>Product Description</b> |                                                                                                                                                                                                            |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit Synaptotagmin 13 Antibody (HL3579) (NBP3-48828) is a recombinant monoclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>                | Rabbit                                                                                                                                                                                                     |
| <b>Gene ID</b>             | 57586                                                                                                                                                                                                      |
| <b>Gene Symbol</b>         | SYT13                                                                                                                                                                                                      |
| <b>Species</b>             | Human                                                                                                                                                                                                      |
| <b>Immunogen</b>           | Recombinant fragment of human Synaptotagmin 13.                                                                                                                                                            |

| <b>Product Application Details</b> |              |
|------------------------------------|--------------|
| <b>Applications</b>                | Western Blot |
| <b>Recommended Dilutions</b>       | Western Blot |
